Description:

Rustic property for sale located in the municipality of Guía de Isora with banana trees, fruit trees and vegetables with exceptional views of the Atlantic and La Gomera.

With one of the best climates on the island with an average of 25° throughout the year.

The farm is located about 350 meters above sea level below the insular ring, it has two accesses to it.

It is suitable for any type of cultivation, although it is mostly cultivated with banana, also with avocados, papayas, mangoes and vegetables, part of it is in a greenhouse with drip irrigation, divided by terraces with access to the entire farm by interior tracks very comfortable with access to cargo vehicles.

It also has a pond of approximately 20,000 pipes with connections for irrigation to the farm.

It has drinking water and electricity supply, as well as an irrigation warehouse and a supply warehouse with a total of 100m² with the possibility of converting it into a home.
