Description:

Rustic property located in Santa Úrsula very close to the coast of the Municipality with excellent climatic conditions. The farm has an area of 68,900m² with trellis vineyards practically all over it, with a stone house pending renovation and a building with 4 one-bedroom apartments, with furnished and equipped kitchenettes, fitted wardrobes and terraces, recently renovated. The totality of the different buildings built on the farm is approximately 1000m². It has large storage areas and a tool room as well as a garage for several vehicles. It has its own water tank, automated drip irrigation and good access to it. Consult us without obligation. Real estate 40 management.
