Description:

Looking for a unique investment opportunity in Fuerteventura?

We have the perfect solution for you: 9 commercial/industrial plots for sale! Located in one of the most prosperous commercial areas of the island, these plots are ideal for large supermarkets, hypermarkets, furniture shops and franchises. With a surface area varying between 1,350 and 2,870 square metres, each of these plots is perfect for any type of logistic or industrial business. Plus, with the possibility of partitioning and basement, you'll have the freedom to adapt the space to your needs.

But that's not all, these plots are located on a street where supermarkets such as Lidl or Mercadona are already located, which means that there is already a customer base in the area. With a total land area of 21,243.00 square metres, you will have enough space to expand your business and grow your profits.

What are you waiting for? Don't miss this unique opportunity to invest in one of the most promising areas of Fuerteventura.

Make your business grow with these commercial/industrial plots for sale!
